

# Condo Wines

## 2010 Chardonnay

A wine to sing of the perfect accompaniment to a seafood platter consumed with a setting summer sun on the horizon. With family friends and stimulating conversation.

The fleshy grapes in the vineyard were reminiscent of peach, melon and citrus flavours prior to picking. And to capture the freshness we picked at the optimum balance between flavour ripeness and natural acid levels.

We make Chardonnay with vibrant colour and flavour and not submerged by oak. Pure fruit flavours and a lively fresh finish on the palate. It's a wine that is best consumed early to capture the peach and citrus fruit characters. You may also want to try it with Thai Chicken curry – red or green.

### **Viticulture and Vinification**

2010 commenced with good winter rains although there was a heat wave at the time of flowering. During harvest, red grapes in particular exhibited excellent evenness in ripening, which provided an almost perfect balance between flavour ripeness and fresh acid retention. A key factor in the quality was the ideal sugar levels, flavour ripeness and freshness.

Vinification included a very short period of contact with skins prior to fermentation to add structure and colour. We then let the wine settle for six months constantly checking to ensure the wine remained fresh and vibrant.

The wine was then fined and bottled early to retain fruit flavour freshness.

### **Condo Wines**

Condo Wines is a small family vineyard perched upon the ochre coloured cliffs overlooking the venerable Murray River at Swan Reach. The shared passion of the family is to produce wines that reflect a sense of fruit balance and elegance. Wines meant to be shared with food and friends.
