2013 Rose

Fresh and vibrant were the words to express the experience tasting the Shiraz grapes in the vineyard specifically selected for our 2013 Rose. With careful crushing the freshness has more than lingered during fermentation and bottling.

Shiraz was the obvious choice for our Rose style wine. The bouquet is at once attractive with the smell of raspberry and cherry. The flavours of summer berries and cherries dominate with a refreshing finish. We wanted to produce a Rose that while great drinking on its one would be an ideal accompaniment platters of seafood and even spicy Szechuan cuisine.

An exciting and enjoyable wine for you to savour.

Viticulture and Vinification

2013 was an exceptional vintage for flavour and colour. Early ripening of the Shiraz required close attention to the grapes' development so as not to allow accelerated ripeness but rather a balance between flavour ripeness and fresh acid retention. The grapes were picked under perfect conditions with ideal colour, sugar levels and freshness.

Vinification included contact with skins for 24 hours prior to a chilled fermentation. We then let the wine settle for constantly checking to ensure the wine remained fresh and vibrant.

The wine was then gently fined and bottled early to retain fruit flavour freshness. Bottled only in 187ml.
