

Condo Wines

2010 Shiraz

Intense Blackberries and Cherry flavours with a hint of spice, seamless oak and you know its Australian Shiraz. To savour with family, friends, great food and stimulating conversation.

All the red wines from 2010 vintage display ripe fruit freshness, but the Shiraz was the most pronounced. Subtle maturation with American oak provided additional structure and complexity but it is the rich fruit flavour that prevails.

Our Shiraz has dark berry cherry, and spicy fruit flavours and a firm tannin structure making it great drinking now but it will provide added complexity over the next 4 to 5 years. A wine that is just made for beef – roasted, barbequed or as a curry.

Vintage Information

Vintage	2010
Region	Swan Reach, South Australia
Harvested	8 March
Alc/Vol	14.6%
Total Acid	6.7g/l
pH	3.6
Residual Sugar	<0.7> g/l

Viticulture and Vinification

2010 commenced with good winter rains although there was a heat wave at the time of flowering. During harvest, red grapes in particular exhibited excellent evenness in ripening, which provided an almost perfect balance between flavour ripeness and fresh acid retention. A key factor in the quality was the ideal sugar levels, flavour ripeness and freshness.

Vinification included six days contact with skins to extract colour and structure. We then matured part of the wine in American oak for 18 months to provide additional structure and complexity. A separate portion of the wine was left un-oaked in tank and blended back ensuring the wine remained fresh and vibrant. The wine was then bottled in October 2011.

Condo Wines

Condo Wines is a small family vineyard perched upon the ochre coloured cliffs overlooking the venerable Murray River at Swan Reach. The shared passion of the family is to produce wines that reflect a sense of fruit balance and elegance. Wines meant to be shared with food and friends.
