## 2012 Shiraz

**Intense Blackberries and plum flavours with a hint of spice, seamless oak. This is a medium bodied Australian Shiraz made as a perfect accompaniment to a range of meats - lamb, pork and beef.**

**The 2012 vintage was a near perfect vintage with the wines displaying ripe fruit freshness. Subtle maturation with French oak provided additional structure and complexity but it is the rich fruit flavour that prevails.**

**Our Shiraz has dark berry and plum, and spicy fruit flavours and a firm tannin structure making it great drinking now but it will provide added complexity over the next 4 to 5 years.**

## Viticulture and Vinification

**2012 commenced with ideal winter rains, the best for many years. During veraison, the Shiraz in particular exhibited excellent evenness in ripening, providing an almost perfect balance between flavour ripeness and fresh acid retention. A key factor in the quality was the ideal sugar levels, flavour ripeness and freshness of the grapes at picking.**

**Vinification included six days contact with skins to extract colour and structure. We then matured part of the wine in oak for 15 months to provide additional structure and complexity. The wine was then bottled May 2013.**

## Condo Wines

**Condo Wines is a small family vineyard perched upon the ochre coloured cliffs overlooking the venerable Murray River at Swan Reach. The shared passion of the family is to produce wines that reflect a sense of fruit balance and elegance. Wines meant to be shared with food and friends.**
